## Filing a Claim and Viewing Claim Information

*myFlexDollars mobile allows you to submit a claim on-the-go.*

Using your mobile device, simply choose the account type, the date, and the amount of your expense and upload an image of your receipt ... it's that simple.

You can also view transaction and claim information by tapping on any of the account activity line items.

## Uploading Receipts

*Don't have access to a fax machine or scanner?*

Don't worry about it! Now you can use the camera on your mobile device to capture and upload receipts and other documentation.

You can choose to upload a receipt while you are entering a claim, or you can add the receipt after the claim has been initiated.
